- You are required to provide a copy of your proof of purchase in order to have your claim processed.
- Please read the Terms and Conditions for details of your warranty entitlement.

TEAC[®] TERMS AND CONDITIONS v1.7b: July 2016 for 12M Replacement

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

1. TEAC warrants that this product is free from defects in material and workmanship under normal domestic use with reasonable care and skill. Maintenance and cleaning (i.e. laser head) is not covered by this warranty. The TEAC warranty only applies to TEAC products purchased NEW from a TEAC Authorised Retailer in Australia. This warranty only applies to the original purchaser and cannot be transferred.
2. The benefits to the consumer given by this Warranty are in addition to other rights and remedies of the consumer under a law in relation to goods or services to which the warranty relates, being the Australian Consumer Law.
3. Refund or replacement via your TEAC Authorised Retailer is available for a period of 14 days after purchase for goods that have been inspected and determined to have a major failure. Refund and exchange is not applicable for change of mind.
4. Subject to the terms herein, this warranty effectively covers TEAC products under the **12 Month Replacement Warranty Scheme**, 12 months from the date of original purchase.
5. The warranty is void and warranty claims may be refused, subject to the Australian Consumer Law, if:
 - a) The product was not transported, installed, operated or maintained according to manufacturer instruction, or
 - b) The product was abused, damaged, tampered, altered or repaired by any unauthorised persons, or
 - c) Product failure is due to accidents during use, installation or transit, power surges, use of defective or incompatible external devices, exposure to abnormal conditions such as excessive temperatures or humidity, or entry of liquids, objects or creatures into the product, cockroach infestations, or
 - d) The customer is unable to provide proof of purchase of the product for verification, or
 - e) The serial number of the product is missing or has been tampered with.
6. No one is authorised to assume any liability on behalf of TEAC or impose any obligation on it, in connection with the sale of any equipment other than as stated in this warranty and outlined above.
7. TEAC and/or its Authorised Service Centres reserve the right to inspect and verify whether the product is exhibiting a major failure as claimed by customers/retailers.

CAUTION
RISK OF ELECTRIC SHOCK
DO NOT OPEN

CAUTION: To reduce the risk of electric shock, do not remove the cover (or back). There are no user serviceable parts inside the unit. Refer all servicing to qualify personnel.

The lightning flash with arrowhead symbol within the triangle is a warning sign alerting the user of "dangerous voltage" inside the unit.

The exclamation point within the triangle is a warning sign alerting the user of important instructions accompanying the product.

WARNING: TO PREVENT FIRE OR SHOCK HAZARD, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE.

CAUTION: Invisible laser radiation when open and interlocks defeated. Avoid exposure to beam. Class 1 laser product.

PRODUCTO LASER DE CLASE 1
PRODUTO LASER CLASSE 1

IMPORTANT!

- Batteries should not be exposed to excessive heat such as sunshine, fire or the like.
- Please consider the environment when disposing of batteries.
- Do not cover the ventilation openings with items such as newspapers, table-cloths, curtains, etc.
- No naked flame sources, such as lighted candles, should be placed on the device.
- Only use the device in moderate climates.
- The apparatus should not be exposed to dripping or splashing.
- Ensure a minimum distance of 5cm around the apparatus for sufficient ventilation.
- Do not place objects filled with liquids, such as vases, on the device.
- The marking plate is located on the back of unit.
- Mains plug is used as the disconnect device and it should remain readily operable. To completely disconnect the power input, the mains plug of the device should be disconnected from the mains completely. The mains plug should not be obstructed and should be easily accessed during intended use.
- Due to electrical fast transient or/and electrostatic phenomenon, the product may malfunction and require a power reset.
- Excessive sound pressure from earphones and headphones can cause hearing loss.

If at any time in the future you should need to dispose of this product please note that Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.

POWER SUPPLY

This unit operates on AC (240V ~ 50Hz) or DC (9V) 6 x 1.5V Type UM-2 /R 14 / "C" (Batteries not included)

AC OPERATION:

- Connect the AC Power Cord to your AC household mains outlet and switch on the mains supply. Make sure the voltage is compatible.
- Disconnect the power cord from the mains when not in use.

NOTE: In a concern of saving energy, when playback has reached the end or listening volume is set at a very low level and no control is operated on the device for a period of 10 minutes, the unit will automatically switch to Standby mode.

BATTERY OPERATION

Open the battery compartment at the rear of the unit and insert 6 batteries, observing the polarity diagram indicated inside the compartment, and close the compartment. To switch from AC power to battery power, disconnect the AC power cord.

Battery Replacement

Batteries should be replaced when the volume decreases or the sound distorts.

Notes on batteries

- Do not mix batteries of different types or new batteries with used batteries.
- The batteries cannot be exposed to excessive heat such as sunshine, fire or the like.
- Please respect the environment when disposing of used batteries.
- To prevent leakage, always remove the batteries from the device when it is not used for an extended period.
